```
> * Link has a sister?? *<br>
><br>
><br>*From links mothers point of view*
><br>
>While I run from the flames and fire<br>I hold my children in my
arms
>My precious girl and boy<br>I hold them close to me
>So them can't hear<br>So they can't see
>They cry and yell and I coo them to sleep in my arms<br>While I run
away from the flames and fire
>I trip and fall I loose my baby girl <br>I want to go back
>But impa pulls me away and goes after her<br>She yells to me to run

>I listen I run to the woods<br>I hear impa behind me
>Riding away with my baby girl<br>My poor baby girl
>Zelda<br>As I cradled link in my arms and run to the safety of the
woods
>I pray for impa and know she will die rather than give up the
baby<br>I run to the great deku tree and ask of him to take in my
baby boy
>I do not tell him of his sister<br>The great deku tree takes my son
in
>I run again <br>As I feel all the eyes of the children that never
grow up
>Watching me<br>And I know
>Link will some day find out he is not one of them<br>Soon very soon

>And I run back out to the fire and the hate<br>The battle has just
begun and already
>The bodies of our men were strewn all over the field <br>As
>I tried to run <br>And not disturb them I fall
```

>I pray
And I am gone
>In to heaven to watch over my children
They are so close yet

>Even Zelda can't see the bond they share between them
I watch and
will keep watching over them till
>They can rest
I can rest
